Subject: Dr. Gardner's Asbestos Dust Experiments

Dear Mr. Brown:

Many thanks for your letter of yesterday from which I note that Dr. Gardner has not as yet completed his experiments for the asbestos industry. It would seem from the report that nothing definite can be stated at this time as to just when we may expect his final word on the subject.

Your quotation from Shakespeare is quite correct and very apt. Let us hope that the dust will soon clear away so that we can obtain a clear picture from Dr. Gardner.

Again thanking you and with best wishes, I am

Yours very sincerely,

Ernest Muehleck, President
