TO: Vinyl Chloride Research Coordinators and Technical Panel

SUBJECT: "Epidemiological Study of Vinyl Chloride Workers",
Final Report Dated January, 1978

Gentlemen:

Your copy of the subject report is enclosed. All sponsoring companies should take necessary action to assure that distribution of all previous "draft final" and progress reports be terminated immediately as all reports issued to date are now rendered obsolete by the enclosed document dated January, 1978. It is to be emphasized that findings reported in these earlier reports have been replaced by more accurate and complete data presented in the January, 1978 report.

Copies of the January, 1978 report will be mailed by MCA as soon as possible to all pertinent government agencies.

Sincerely,

J. T. Seawell
