NORWOOD HOUSE PAINT

NORWOOD HOUSE PAINT
A good quality general-purpose paint for exterior or interior surfaces. May be used on wood, brick, stucco, or metal to provide a durable protective coating.

DIRECTIONS FOR USE

MIX THOROUGHLY: If paint is slightly settled, pour off the liquid from the top of the can into a clean container, break up the paste thoroughly, adding liquid gradually. Box paint by pouring

FIRST COAT: To each gallon of paint add one pint of pure raw linseed oil and one pint of pure turpentine before applying. On extremely porous surfaces additional oil should be added to

On extremely porous surfaces additional oil should be added to the paint.

SECOND OR FINISH COAT: Apply paint as it comes in the can or thin very slightly with Lawrence Universal Thinner to ease brushing.

NEW HOUSES: Should be primed with a very thin coat of paint and allowed to stand several weeks during good, hot weather so that all moisture on the interior of the house may dry out thoroughly before applying Two-Coat Finish as above.

COLD WEATHER: For best results paint should not be applied during cold or damp weather. If paint is subjected to freezing temperatures before being thoroughly dry, it does not oxidize.

PAINT SURFACES: Never paint over damp surfaces and

DAMP SURFACES: Never paint over damp surfaces since this causes blistering and peeling in practically every instance. Before painting, inspect and repair all gutters and downspouts and caulk around window frames to prevent moisture from entering.

and caulk around window frames to prevent moisture from entering the wood which also causes blistering and peeling.

CAMPION. Possible. Every time there have and after that the only advantage was
 London, would strengthen something of support and professional interest with the
 LEADS LEAD OR OTHER DISAPPEARANCE. MARRIAGE IN GERMANY. DO NOT APPLY ON
 INFORMATION ON THE ABOVE DISAPPEARANCE WHICH MAY BE OF INTEREST TO CHARLOTTE. It
 thoroughly clear using this before using and working. When not in the long course
 of a day.
