Subject: Shanghai Health Study Petrochina Presentation

Shan -

What is your mailing address? I would like to overnight some of the Shanghai Health Study folders to you. Also, did you have any success in accessing the website at www.shanghaihealthstudy.org. Your username is "shapi" and the password is **REDACTED**. Once you access the website, click on SHS Update in the left navigation bar. There you will see the available PowerPoint Presentations and other materials that you can print out and insert into the folders for the presentation. Do you have a date scheduled for the presentation yet?

Hope this helps Shan.

Matt
