Dear all,

Please find attached to this email the minutes of our PFAS WP7 CA meeting (February 17th). In case you missed conclusions or action points, feel free to complement. The notes are included for your information.

One of the action points for me was to plan a monthly WP7 meeting. Taking into account the scheduled SEAC meetings, and knowing that our last meeting was on Wednesday, I made the following proposal for a meeting schedule for the rest of this year:

- Next WebEx on **wednesday**, 13 pm – 15:30 pm **with MS and ECHA** (and **COM** when discussing essential use)
 - 24 March 2021
 - 14 April 2021
 - 19 Mai 2021
 - 16 June 2021
 - [21 July 2021]
 - 25 August 2021
 - 22 September 2021
 - 20 October 2021
 - 17 November 2021
 - 15 December 2021

About one week before the March meeting, the agenda and the web-ex login details will be send around.

Kind regards, [REDACTED]
