

From the desk of

DR. ROBERT A. KEHOE

Dr. Kitzmiller

I am sure that you will wish to make any changes in your record, but as you and Rex Leggett suggested, I have cross-checked some of the dates and have made pencil notation in a few instances.

BAK
My memorandum is practically finished. We shall want to send the reports with a letter and bill - What changes should be made for your services and those of Dr. Leggett?
