Mr. Charles E. Baxter,
Coldbrook Post Office,
Saint John, N. B.,
Canada.

Dear Mr. Baxter:

I have been holding your letter of October 12, believing that Dr. Kehoe would return to the Laboratory about November 1. It now appears that he will not return until the latter part of November. He will give you his further comments shortly after his return.

Very truly yours,

E. R. Fortlage, Secretary to
Dr. Kehoe
