

1           A     Well, in the interim period of time there  
2     was some contact that my office had with him, and we  
3     sent him a form asking for some biographical  
4     material.

5                     He next was seen by me on February 15th,  
6     1990, and at that time he was seen by me because of  
7     the fact that he was still having some chest pains.

8                     I obtained chest X-ray and treated him with  
9     some more Naprosyn and arranged for him to come back  
10    to my office at a future date.

11           Q     You saw him on February 15th of 1990 at your  
12    office?

13           A     Yes.

14           Q     Now, when was the next time that you saw Mr.  
15    Wood after February 15th of 1990?

16           A     On March 6th of 1990.

17           Q     And on March 6th of 1990 where did you see  
18    him?

19           A     I saw him in the office. And the occasion  
20    of the visit was precipitated by the fact that he was  
21    still having chest pain.
