for Raw Materials

DATE January 8, 1970

o Mr. E. Seraggs
n Gloucester
u W. C. Schwingen
m So. Round Brook

cc Messrs. Davis, Faneuf, Holman,
Baris, Robertson

BT: AMOSITE ASBESTOS - ASBESTOS CORPORATION OF AMERICA

By separate package, I am sending you a sample of
W-3 Amosite asbestos. This sample was submitted
at Mr. Robertson's request as an alternate fibre
for use in Calsilite.

When time permits, please evaluate in a laboratory
formulation as a replacement for the current fibre.

W. C. SCHWINGEN

VCS:jaf

Told Jim Holman to ask Eli to
write a letter with his results including
the above parties.
