The Best Watches

are made by Americans at American wages, with American tools. To prove it, we are prepared to offer fifty WALTHAM WATCHES to be run against fifty watches of any foreign make, in a competitive test of timekeeping—the one hundred watches to be placed for this purpose in the hands of some competent and disinterested authority and the *whole number* to become the property of the winner.

Paint You Are Acquainted With

Wouldn't you rather use paint, enamel, stain or varnish that you feel acquainted with?

That's the way with most people—and most people nowadays feel acquainted with

ACME QUALITY

a name that represents the best of everything that goes on with a brush.

Your dealer offers you under this mark, for every kind of work you can think of, the Perfect Paint for that purpose.

"The Selection and Use of Paints and Finishes" tells you exactly how to paint anything. Let us send you a copy. Free on request. If your dealer cannot supply you with the "Acme Quality" kind we will.
