My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Tuesday, May 2nd at 2:00 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Look forward to seeing you all.

Directions

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12th and Constitution Avenues. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the

escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Sydney-

Just checking in. What entrance (I don't know if there are specifics) should we go to? Attached is a list of attendees. I'll also send along, in the next day or so, the issue briefs we have prepared for our members. Your team may want to take a look at them.

Thanks!

Great! Attaching a meeting form so that I can make sure we are appropriately staffed on the issues you're wanting to discuss. Would you mind filling out and returning to me, please?

Meeting will be at the EPA in the Administrator's office unless there is a large group of you in which case we will move to a conference room. Once you send me the list of attendees we can begin planning that way. Looking forward to having you all here!

Thank you!

YES! Thank you. That would be so great.

What do I need to know for our itinerary? Address, room, etc?

I'll circle back by the end of the week with our attendees list and any other pertinent info.

Thank you so much!

Generally yes—but we might be able to figure something out for late morning on the 3rd although it's tight. We have meetings scheduled in the Senate that morning and a lunch on the House side.

On the 2nd (Tuesday) our morning meetings will be at the Willard- and if it's easier for him to come to us that morning but not the lunch meeting we can work that out too. That day he could have his pick of time slots for the afternoon after lunch (assuming the lunch hour still does not work). We have a dinner back at the Willard at 6pm but would be able to come to you up until about 4:30 I think.

If the 2nd really is too tight, we have a board meeting all day on the 1st... would he be interested at all in attending/speaking to- our opening dinner the evening of the 1st at the Willard? He wouldn't have to stay if he didn't want to... just an option. Congressman Bill Johnson (R-OH) will be attending that dinner as he has been a great ally of ours.

Yes! We can definitely make that work. We can come to you during the afternoon I think. We're still working out some logistics. What times might work for you all?

Hey Erin,

Unfortunately, I don't think we will be able to make the speaking engagement work. The Administrator is definitely interested in meeting with your CEO group though. Would an in person meeting at our office be possible while you all are in town?

Thank you!

No delay at all! Just checking in. We would love him to attend lunch- but of course we can be flexible with whatever might work for the Administrator. Tomorrow is great. Many

thanks!
