• WEST VIRGINIA COAL ASSOCIATION •

REPRESENTING THE WORLD'S FUEL OF CHOICE

Document 95 - Attachment 3

WVCA is a trade association representing the interests of companies engaged in the mining of coal within the State of West Virginia. WVCA's producing membership accounts for more than 80 percent of West Virginia's underground and surface coal production of both thermal and metallurgical coal. WVCA also represents associate members that supply an array of services to the mining industry, including permitting, environmental, and engineering consulting firms; mining equipment manufacturers; coal transportation companies; coal consumers and land and mineral holding companies. WVCA's primary goal is to enhance the viability of West Virginia coal as a source of domestic energy by facilitating environmentally responsible coal mining through reasonable, equitable, and achievable state and federal policy and regulation.
