I got your contact information from Christopher and John Horne (General Counsel Ky. Energy & Environment Cabinet). I own an environmental and safety consulting company with offices in Lexington and Louisville, KY. I also serve on the environmental and public policy committees for Commerce Lexington and the Kentucky Chamber.

Commerce Lexington is planning a trip to DC in mid-July and is also working on identifying luncheon speakers for the remaining of 2017. Once I get firm dates, can I contact you to find out if the Administrator might be available to speak to Commerce Lexington members?

Hi Tate,

I am writing on behalf of Steve Chancellor, Chairman of White Stallion Energy, to request a meeting with Administrator Pruitt. White Stallion Energy is based in Evansville, Indiana, and is one of the largest producers of steam coal in the Illinois Basin.

Mr. Chancellor would like to thank the Administrator for his outstanding leadership during the first 100 days of the Administration, and also discuss several regulations that are adversely impacting the coal industry. Mr. Chancellor is available early next week, May 8-10th, which I recognize is very short notice. If those dates don't work, please let me know the Administrator's availability during the month of May.

Thank you for assistance assistance and thoughtful consideration.
