Hey Susan! Looks like it should work with the schedule! Just need to get final approval from our ethics office and we should be good to go.

Thank you!

Sydney Hupp

Hi Sydney!

I am hoping no news is good news and that the Administrator will be able to join us on June 15. Do you have any further information?

Thanks!

Susan

Hi Susan,

Thank you for filling out! There is a small chance we will have a conflict on the 15th but I am waiting to get final word. Can I get back to you on this next week?

Thanks!

Sydney Hupp

Hi Sydney,

Sorry for the delay. Please find attached the Speaker Request Form for Administrator Pruitt to address NAHB's Board of Directors on Thursday, June 15. We are hopeful that his schedule will permit his participation. Please contact me at your convenience to further discuss.

Thanks much!

Susan

Hi Susan,

Thank you for your email! So on the Mid-Year meeting, would you mind filling out the attached form so that we may discuss in scheduling? And as for the senior executives being in town next week, we actually just had a meeting cancelled at 3PM on the 29th. Is it still possible for your senior officers to meet with him then? It would be from 3:00-3:30 and I would request their names and topic of the meeting. Hoping this still works on your end!

Thank you!

Sydney

Subject: NAHB Meeting w Administrator Pruitt

Hi Sydney!

Thanks for the call today. The National Association of Home Builders is very interested in having EPA Administrator Pruitt speak before a larger group of our members. In an effort to accommodate his schedule, we are willing to create a special meeting during our Mid-Year Meeting if the Administrator is available. The timing for the meeting would be Thursday, June 15 at a time that is convenient between 12:30 and 2:30 at the Marriott Wardman Park, 2660 Woodley Road, NW, Washington, DC. We would have an audience of approximately 700 members who are interested in hearing about Administrator Pruitt's vision for the agency, how the agency will address some of the high priority issues, and steps that may be taken to improve the regulatory environment for the Nation's home builders. We would also like to reserve some time for questions, if allowed.

Our Senior Officers would also like to meet privately with Administrator Pruitt. They will be in town and available for a quick visit next week, if a meeting on such short notice is possible. They could be available Wednesday, March 29, between 3 – 5 pm or Thursday, March 30, between 8 am – 12 pm. They could also be available for a meeting on Wednesday, June 14 or before or after the address to the members on June 15, if that schedule works.

Please take another look at the calendar and let me know what might be possible. I look forward to working with you and the Administrator in the future.

Thanks for your assistance!

Susan
