Deidre,

It was an honor to participate and I learned a lot about the initiatives and priorities of the other regulatory agencies. It was a great event.

Could you provide me with the list of participants? Thank you.

Hello, Aurelia,

I just want to thank you again for participating in our *Insights into Environmental Law & Policy: A Conversation with Key Regulators* event on Thursday. We received great feedback from the participants and your contribution was greatly appreciated. I am sorry that I was not able to stay until the end, but I know several folks really appreciated getting to talk to you. Thanks again. Have a great weekend.
