Totally understand – thanks for the quick reply!

When do you think you will be open to meet? Want to leave you alone in the interim....

I'm sorry Mike but I'm not taking any external meetings right now until I've finished making the internal rounds. I'm sure you understand.

Andy-

Hope all is well with you in the new post! I am sure you are inundated with meeting requests, but hope you can break off some time sooner versus later.

We represent Honeywell and I have kept them at bay with the hope of letting you settle in, but with the CAFE news breaking today, the urgency has escalated. Any chance we can come by to talk about credits?

Thanks!

mike
