RE: **REDACTED** v. Certified Distribution
Services, Inc. (Sherwin-Williams)
S.I.S. File: L9852-89-1
Date of Alleged Accident: 9/8/89

Dear Mr. Baum:

Please find enclosed Mr. Mark Matranga's September 20, 1989 letter of representation, along with our file contents.

We have not yet been notified that a formal Application has been filed with the Illinois Industrial Commission. However, I assume that it is merely a matter of time before this is done. Please protect the interests of Sherwin-Williams in this matter.

According to the First Report of Injury, **REDACTED** alleges that he fell off a trailer and sustained injury to his right shoulder, right elbow, right thigh, and lower back. As you can see from Mr. Colangelo's October 5, 1989 correspondence, Sherwin-Williams does not wish to pay any benefits for this alleged claim.

I have set an appointment for **REDACTED** to be seen by Dr. Dwyer on October 27, 1989. Upon my receipt of his report, I will forward a copy to you. However, please note that **REDACTED** called our office and advised that he did not know if he would be keeping this appointment. He stated that he was being released from his own physician on 10/23/89 and he did not wish to lose any time from work at his "new" job. Apparently, he is employed elsewhere at this time.

REDACTED

According to the First Report of Injury, average weekly wage was calculated at \$575.25, thus corresponding to this, his TTD rate was calculated to be \$383.50 and his PPD rate to be the Illinois maximum of \$302.44.

To date, we have paid no benefits on this claim.

Once you have had an opportunity to review this matter, kindly indicate your assessment and opinion of this claim. If any additional information is needed or you would like to discuss this matter further, please do not hesitate to contact me.

Thank you for your legal representation in this matter.

Sincerely,
