

Mass Honors Dead Bishop, Reds' Captive

New York Times News Service

HONG KONG, Sept. 14—More than 1500 persons attended a Solemn Pontifical Mass celebrated here today for the Most Rev. Francis X. Ford, late American Bishop of Meishan in Northern Kwangtung Province. Among those who crowded the Caine Road Cathedral were representatives of various western Consulates in Hong Kong.

The Brooklyn-born prelate died in a Canton prison hospital last Feb. 21 at the age of 66 after more than a year under Chinese Communist arrest. News of his death reached his fellow Maryknoll priests here two weeks ago.

Bishop Adolph Paschang, an American Maryknoller whom the Communists expelled last June 6 from his see at Hong-moon in Kwangtung, said Mass. Archbishop Antony Riberi, the Papal Internuncio to China who was expelled from Nanking last September, gave the absolution.

The Papal Internuncio eulogized Bishop Ford as a "captain of Christ" who had spent the last 34 years of his life "bringing knowledge and love of God to the people of Kwangtung."
