and Varnish

April 22, 1926.

Mr. Robert W. Smiley,
Western Paint Industry Review,
312 East 12th Street,
Los Angeles, California.

My dear Mr. Smiley:

Mr. Hoover has asked me to acknowledge in his behalf your letter of April 17th and to express his regrets that his time is so taken up with official duties, and requests of this character come to him in such numbers, that he has had to make it a rule to decline to prepare any special statements such as you suggest, much as he might like to do so.

However, it may be that Mr. R. M. Hudson, Chief of our Division of Simplified Practice, would be in a position to prepare the article you desire. If you wish me to do so I shall be glad to take it up with him.

Yours sincerely,

Harold Phelps Stokes,
Assistant to Mr. Hoover.

HPS-M.
