April 1, 1968

Mr. Russell Brittingham
President
Pittsburgh Corning Corporation
Pittsburgh, Pennsylvania

Dear Mr. Brittingham:

Subject: "Asbestos Bodies And Their Bioeffects"

The subject article, a copy of which is attached, appeared in a recent issue of the Journal of the American Medical Association. It is an excellent summary of the present status of asbestos induced disease in man.

Sincerely,

Lee B. Grant, M.D.
