Hi Patrick...

This may work. My Regulatory Affairs Committee is meeting tomorrow...I'll have a better idea after that. I want to make sure we have the right people in the room. I will follow up as soon as possible.

Thanks,
TD

Hi Travis,

We have not forgotten your quote. The release has not gone out, yet.

I wanted to check in with you about holding one of our roundtable discussions during the WY Mining Association Annual Convention, June 6-8 in Jackson. What do you think?

Thanks,

Patrick Davis

Good morning, Patrick...

Please see below quote for your release:

"The Wyoming mining industry applauds this innovative initiative and looks forward to participating in the EPA Region 8 effort. By working together and building a strong relationship between the agency and the regulated community, we can make positive improvements toward maintaining a strong industry while achieving environmental goals."

Thanks for including us.

Hi Travis,

Doug Benevento mentioned to me that he spoke with you this week about providing a quote for our press release announcing the Region 8 Smart Sectors program. A draft release is attached for your information and consideration.

Thank you,
