550 Main Street
Federal Office Bldg., Rm. 7033
Cincinnati, Ohio 7033

Dear Dr. Johnson:

Thank you for your recent letter concerning the possibility of asbestos emissions at the Pittsburgh Corning Corporation in Tyler, Texas.

I have directed my staff to conduct an investigation of this problem immediately. I will apprise you of the results of this investigation and of any remedial action which may be necessary.

Your concern for the conservation of our air resources in Texas is greatly appreciated.

Yours very truly,

Charles R. Barden

Charles R. Barden, P.E.
Executive Secretary
Texas Air Control Board
