Hi Ryan, I'm sorry you see it that way. I was trying to get a hold of you to talk to you and hear what you had to say. What about it is exactly a hatchet job? I'm sincerely asking so I can know for future reference. We're trying to be as accurate as possible.

Best,

Hi Ryan, I hope you're doing well. We haven't connected since your new gig (and since left WSJ for Axios). I hope you're enjoying your new gig!

We're hearing some stuff about the Paris deal, in particular how Administrator Pruitt has been involved, and we're hearing President Trump is looking to decide this week to withdraw from it. Would you be able to talk about this sometime today on deep background? I'm at 202.906.9629.

Thanks so much, and I hope to hear from you.

Amy
