hot water pipes, covering them up and everything else.

Q All right. And what, if any, kinds of shapes of products were they using in your presence?

A They used them straight pieces and then them elbow parts that go in the pipes and connect and mold them together.

Q Okay. I am going to show you what some people have talked about earlier as a piece of pipecovering.

Does this look similar to the type of product that they would have been using out there?

A Oh, yeah, but some of them were smaller than that though.

Q Okay. Different sizes?

A Different sizes, yes. Depended on the pipe that they had to cover.

Q And what color was the pipecovering that the pipecoverers out at Loch Raven Apartments would have been using?

What color was it?
