

1 A Oh, yeah.

2 Q Now, what kind of size job was this for the
3 John Hampshire Company?

4 Was this a small job or what?

5 A It was a big job, pretty good size job. I
6 guess he had about maybe 40 men, 50 men on that job.
7 That is counting laborers, plasterers and all.

8 Q When you say "he," do you mean the Hampshire
9 company, Mr. Hampshire?

10 A The Hampshire Company.

11 Q Okay. Now, sir, when you were out at the
12 Loch Raven Apartments working on this new
13 construction, were you, the plasterers the only trades
14 that were around?

15 A Oh, no. You had electricians, pipecoverers,
16 carpenters, plumbers. Anybody in the building trade
17 all working out there.

18 Q Now, I would like to take a moment to focus
19 on Loch Raven Apartments and the pipecoverers.

20 Now, you told us you were there about six
21 months.
