FILE NAME: General Dynamics (GED)

DATE: 1960 July 1

DOC#: GED008

DOCUMENT DESCRIPTION: Memo - Dirty Money for Pipe Laggers

GENERAL DYNAMICS CORPORATION
ELECTRIC BOAT DIVISION
GROTON, CONNECTICUT

MEMORANDUM

TO: F. T. Horan Date July 1, 1960

FROM: H. H. Dempsey

FILE NO.

SUBJECT: Dirty Money for Pipe Laggers

REFERENCE:

This will confirm an understanding with the Metal Trades Council that in lieu of additional cents per hour for piping laggers while working on amesite and ground blown glass, an agreement has been reached whereby an employee in the pipe lagging department working on amestie or ground blown glass will be paid "dirty money" at the rate of $2.00 additional compensation for each shift or any part thereof. This arrangement has been accepted and confirmed by the Metal Trades Council, and will be effective July 1, 1960.
