Dear Dr. Kehoe:

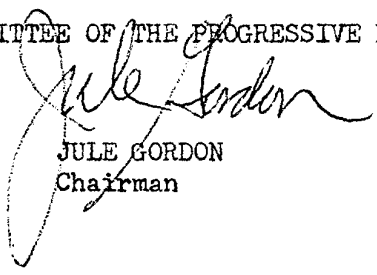

I am delighted to learn that we can look for your final report within a week.

Our only concern has been over the possibility that the folks in Washington might become impatient and issue some peremptory order that would take a tremendous effort to undo. We have felt from the very start that we were in the best possible hands and we are deeply grateful to you for the pains you have taken to insure the completion of the research project.

Looking forward to hearing from you, I am, with kindest personal regards,

Sincerely yours,

COMMITTEE OF THE PROGRESSIVE HAIR DYE INDUSTRY
