Mr. C. W. Bergquist,
Western Electric Company,
Hawthorne Station, Chicago, Ill.

My dear Mr. Bergquist:

We are anxious to proceed with the submission of the draft on safety provisions in air pressure abrasive blasting and I have not yet received your criticisms of the tentative manuscript submitted to you. Mr. Cameron is pressing me on the matter and I should be very grateful if you could let me have your comments within the next week or so.

Yours very sincerely,

C. - E. A. Winslow
