

Students

Mateo High school are members of the Science and Mathematics Club, scheduled to present projects at a symposium Sunday, May 24, at afternoon sessions in city council chamber.

The symposium is designed to exhibit some of the things the club have learned about scientific interest. An adviser of the club is Mr. Walker.

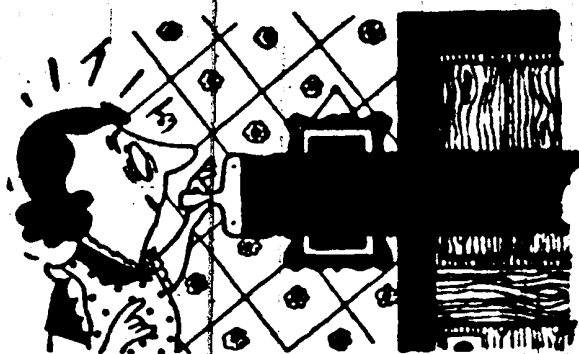

Participants in the symposium include Sanders, Steve Nelson, Charles Haff, Dean Jamieson and others.

June 6-7 at
on Center

A spring fiesta will be held at the community center in Washington Park and 7, Superintendent John announced today. The event will feature a display of crafts and folk art in Mateo Junior college sponsored classes.

meeting, to be held in June, it was announced.
