Mr. S. V. Chamberlain,
Director of Purchasing
O. M. Scott & Sons
Marysville, OH 43040

Dear Sarge:

I am sorry we did not have a chance to say hello on our recent visit, but we didn't leave Marysville until after four for our five thirty flight.

As discussed with Lee, during the month of September, in compliance with OSHA Standard 1910.1001, vermiculite ore shipments will have the following plaque affixed to bulk hopper cars:

C A U T I O N

Contains asbestos fibers.

Avoid creating dust.

Breathing asbestos dust may

cause serious bodily harm.

If you need any additional information concerning the above, please call.

Sincerely yours,

William R. Hanlon, General Manager
