(Attn: Section 8(e) Coordinator)
Office of Toxic Substances
U.S. Environmental Protection Agency
401 M Street, SW
Washington, DC 20460

Dear Sir/Madam:

With regard to:

TSCA Section 8(e) submission on: Vinyl Chloride;
Submitted by: Union Carbide Corporation;
Date submitted: September 9, 1986;
EPA Document Control No.: SEHQ-0986-0629

This is in response to Mr. Kover's letter to Mr. Cornelius C. Smith, Jr. requesting a description of Union Carbide Corporation's plans to notify workers and others about the findings in the above-referenced submission.

We are currently considering an employee advisory concerning the draft report. We will provide you a copy of any materials distributed to employees.

Sincerely,

W. C. Kuryla
Assistant Director
Product Safety
