

1 from my mother -- my parents had like taken the
2 bedroom and made it a huge, large bedroom, and I guess
3 my father didn't know where he was or something. He
4 was hallucinating.

5 He jumped out the window and he ran naked,
6 if I recall, into the woods behind Centennial
7 Elementary School, and neighbors helped find him and
8 helped look for him and bring him back.

9 He couldn't stand very long, couldn't
10 concentrate.

11 The last real task that I think we did
12 together, we went down the cellar basement and we
13 really needed to sort of stack some of these things
14 that we had stored up, you know, my old college
15 materials that my parents let me keep there, and we --
16 during Christmas I think my father made a steel metal
17 case and stored stuff on it, so I wanted him to help
18 me put that together because he was always sort of
19 good at that schematic stuff, so he couldn't stand.

20 Hell couldn't stand real long to hold the
21 shafts, so I had to bring down a kitchen chair from
