Dear Dr. Kehoe:

We are sending you under separate cover today recheck urine specimens on the following men:

[REDACTED]

#3564
3626

[REDACTED] works in the Alloy. At present he is complaining of insomnia, headache, loss of appetite. He has a back condition, which could probably account for these symptoms.

[REDACTED] remains about the same--sensorium clouded, eats and sleeps well.

[REDACTED] is complaining of dizziness, backache and pain around the heart. He eats and sleeps fairly well.

[REDACTED] feels about the same. He sleeps poorly, dreams around the heart.

Very truly yours,

H. H. FISHER, PLANT MANAGER
