

FILE NAME: National Safety Council (NSC)

DATE: 1945 June

DOC#: NSC013

DOCUMENT DESCRIPTION: NSC - National Safety News - Wilson Cup Goggles

SAFETY

Model RR50, one of more than 100 Willson Cup Goggles, meets Federal specifications for worker eye protection in chip welding, riveting, sledging, snagging. Thick Super-Tough lenses of heat treated glass have high frontal impact strength. Red plastic eye cups give side protection.

FIT

The adjustable chain nose permits spacing of the specially shaped cups for proper fit. Adjustable headband cups snugly against the face. No pressure on nose, no high spot pressure on face properly adjusted.

COMFORT

Smooth plastic eye cups with edges are specially shaped to left and right eye socket contours so they always feel comfortable. Direct or indirect cup ventilation and lens ventilation assure seeing comfort and minimize lens fogging.

GOOGLES • RESPIRATORS • GAS MASKS • HELMETS
