GAFSTAR® VINYL FLOORING

July 29, 1982

Mr. Jay Tuthill, Sr. Vice President
Mannington Mills, Inc.
Salem, New Jersey 08079

Dear Jay:

I would like to respond to your letter of July 14, 1982 to Mr. Vincent Ujcic outlining your revised requirements for October, November and December 1982.

We do not anticipate any problems in meeting your requirement schedule of:

August	1262 tons
September	1577 tons
October	1373 tons
November	2077 tons
December	2596 tons

Based upon receipt of your firm order, outlining your requirements by caliper and trim, we will produce and ship this material as we are not able to inventory beyond a very minimal amount which we would be making in advance to meet your schedule.

We would expect to continue to receive your monthly orders as in the past and in December 1982 your first-half 1983 forecast. I note that the takings would be minimal or nil in the first few months of 1983 and our production schedule will reflect your requirements.

Sincerely,

TARKETT INC.
