

INTER-OFFICE MEMO **TENNECO CHEMICALS, INC.**

TO	H.B. Carr	AT	Burlington	DATE	March 6, 1972
FROM	E.L. Kanyok	AT	Burlington	COPY TO	R.S. Cole H.R. Horton D. Johnson F.W. Kanzler P.R. Scarito ✓ File
SUBJECT	Testing of Columbia Records Bulk Shipment				

Per a conversation on 3/2/72 with D. Johnson, it was agreed that at this time particle size testing of each shipment to Columbia Records was no longer required and could be eliminated.

If, in the future, it is found necessary to run this test, it will be reinstituted as required testing.
