

1 at that for a moment?

2 A (Complies.) Uh-huh.

3 Q This would be a memorandum that you authored?

4 A I wrote that memo.

5 Q Yes.

6 A Yeah.

7 Q And it would have been circulated to at least all  
8 of the members of the Asbestos Study Committee?

9 A That's what -- yes, that's what it says.

10 Q Okay. This memorandum references, quote, in  
11 addition I am forwarding two articles which may e of interest  
12 to the committee. These also were sent in by Mr. Weaver,  
13 closed quote.

14 Would it be fair to state that these would be  
15 articles that Mr. Weaver were sending to you as executive  
16 director interested that you would then circulate it to  
17 members of the committee in your position?

18 A I would assume that's so, yes.

19 MR. FRIESTEDT: Objection.

20 BY MR. PURCELL:

21 Q The first one is entitled, quote, Insulation  
22 Hygiene Progress Reports a Publication from Mt. Sinai, I. J.  
23 Selikoff, M.D. Do you know whether or not at the time you
